EXPERIENCE

Front End Developer
euttaranchal, Dehradun
June-2023-July-2024

To create websites, utilize HTML, CSS, and JavaScript, along with the Bootstrap framework. Construct traveler and eCommerce websites using WordPress. Engage with PHP and oversee website management. This shift enabled me to refine my skills and make valuable contributions to the company's projects.

Front End Developer Intern
euttaranchal, Dehradun
December-2022-June-2023

Have the chance to demonstrate my HTML, CSS, Bootstrap, and JavaScript skills by creating websites. Throughout this internship, I will also acquire knowledge in PHP, jQuery, and WordPress. Additionally, I aim to gain insights into database management systems such as MySQL.
